The Money Workbook: The Perfect Gift for Graduation

Truth be told, *The Money Workbook: A 30-Day Program To Greater Abundance, Prosperity and Self-Worth* by Dr. Roger B. Lane, the Founder and Director of Cosmos Tree, is the Perfect Gift for anyone on any occasion. That’s because It helps readers focus in on what they want to do in their lives; and how to give It to themSelves. It shows them how to focus their attention; how to create positively; and, as Dr. Lane brilliantly explains, that “attitude equals outcome.” For the recent graduate, as well as for everyone, the above are crucial. So is what is everything else in this gem of a tome.

The Money Workbook helps readers, including recent graduates, learn to accept themSelves; to better understand, live in and experience Gratitude in the True sense of the word as Completeness, as knowing that everything we need we have right here, right now. These Blessed readers learn the importance of Self-acceptance and that This is the key to staying Present. It helps readers learn - often in very subtle ways - the importance of Surrender; of Trust; and, most of all, of Loving themSelves, really as themSelves.

Readers come to see that they are Worthy - of their Receiving Love, Which is who they are; and, along with the core of the book of knowing we’re worthy of God and are, in fact, God, they learn that they are Powerful Creators fully responsible for their creations.

And, finally, if you - the reader and/or recent graduate - are chasing or about to chase “success” “out there” give that up and work this gem of a book “as if you were mining for gold,” as Dr. Lane writes. As *The Money Workbook* brilliantly teaches That “gold” is who you are.

To order this magnificent Gift for others or yourSelf call 212 828-0464 or visit our Web site at www.cosmostree.org. Cost is \$29.95 plus \$4.50 S/H.

“The Only Question For Every Outer Or Inner Situation:

A Participatory Satsang”

At the outset of His May Satsang, Our Teacher asked the participants to think about a situation they are dealing with in their lives. “Then,” Dr. Lane urged, “ask yourSelf the most pertinent question about the situation.” Several participants then shared their experiences. These included: “Can I take this Home to God?”; “Does it (the circumstances around the situation, not the situation itself) really matter?”; “Am I loving God in this situation?”; “Does this situation have a reality in the Presence of God?”; “What do I need to do to have God handle it?”

Dr. Lane noted that the only question Our Teacher would ask is: “What do I need to be free?” As Our Teacher reminded us, “Nothing exists in reality other than God, Spirit. . . . We are made in God’s Image. We are made of That. If we are made of That That is the only thing we can take to be Present with God. Everything else is an attachment.”

Our Teacher explained: “For the Soul to be Present with God It doesn’t have to go anywhere. The Spiritual Heavens are *within*. We also know that everything that separates us from the Spirit we *are* is our creation, which we have created by the exercise of our free will away from God.” Dr. Lane emphasized: “We cannot be Present with the Spirit we *are*, with God and have an attachment. It is not the situation per se that is the ‘problem;’ it is the attachment to it.”

“... The Teachings of the Path of Soul Transcendence teach us that Proper Identification is the answer to a correct focus. If I identify mySelf as Spirit That is Proper Identification. . . . If I am attached to something outside I’ve given it over and I am worshipping a false idol. Each attachment is bondage, enslavement and I am imprisoning mySelf.”

Our Teacher pointed out: “We are on this planet and we are getting an education as Souls. Some Souls have taken an Initiatory Path. Others have chosen into their karma.” Dr. Lane reminded us it is a question of priority. “To what do we want to give priority? The pain, the hurt, the separation or Freedom. . . . It’s always a reference back to being free.” Dr. Lane asked that we commit, for one week, to asking ourSelves (in each situation): “What do I have to do to be free? Am I going to be free or am I going to be entangled?” and to then take the appropriate action.

In referring to the drive and ambition that is extremely prized in our culture, Dr. Lane observed that that is a pretty good indication indication that one is involved with one’s karma. “People centered in God don’t have that drive and ambition. . . . Your motivation won’t be to solve the ‘problem;’ it will simply be to be focused on the Spirit you *are*.”

In conclusion, Our Teacher explained, "You can't get it right 'here.' It's not designed that way and you are not here to master the physical world. We're here to master the Spiritual world. We're here in this world for the purpose of perfecting the Spirit we are. It is up to us to make that decision. Regardless of how the situation looks ask yourSelf that simple question; 'Do I want to be free?' Prioritize it and choose. And then bless the person that brought you that situation."
